EXECUTIVE SUMMARY

Illinois Brick Company, Yard No. 22, 123rd Street and California Avenue, Blue Island, Illinois 60406, Cook County, Lat. 41°-40'-30", Lon. 087°-40'-43", a division of Old Fort Industries, Inc., 2700 West Cermak Road, Broadview, Illinois 60153, person to contact: John F. Gorman, Vice President, 2700 West Cermak Road, Broadview, Illinois 60153, 312/344-1000. This site was a clay mining operating adjacent to the John Sexton Contractors Company, Blue Island Landfill. This site was granted an IEPA permit to operate a solid waste disposal site consisting of approximately one acre on October 31, 1971 for the landfill disposal (and storage) only of broken concrete block generated from the Illinois Brick Company. No other solid or liquid waste of any kind was deposited in this facility. In November of 1977, the Sexton's Blue Island Landfill received a supplement permit for the extension of their site. The Brick Company ceased operating their own landfill sometime in early 1977 and had their rejected product hauled next door. Sexton uses the cement blocks for roadways.

IEPA inspected this one acre site and disclosed it had been satisfactorily closed and covered on April 4, 1979.

It is recommended by this Agency that a none priority inspection be assigned this site.
